Roland, how do I get my business on Google Maps? 📍

With a free **Google Business Profile.**

It's what shows when people search **"near me".**

Step 1: find or add your business 🔎

Search your business name on Google Maps.

Listed? Tap **"Own this business?"**
Not listed? Tap "Add your business to Google".

Step 2: the basics ✍️

Name, category, address or service area, phone, website.

Pick the **most specific category.** "Bakery" beats "Food".

Step 3: verify ✅

Google picks the method: video, phone, email or postcard.

Video = one continuous take, **30 seconds+** : your street, your signage, inside, proof you run it.

How long does it take?

Phone or email: minutes. Video: up to **5 business days.**

Postcard: **1–2 weeks.** Don't request a new one, it cancels the old code.
